1st QUARTER – 2021

We started our 1st quarter hopeful of getting back to normal but quickly realized that wasn't the case. We are still unable to visit in the homes due to Covid and looking forward to the day that we can. Until that day comes, we continue to provide for the homes as much as possible. We keep in contact with the activity directors and supply them with whatever they are in need of for the residents. Our Executive Director, Brandi has made many deliveries to the homes with much needed supplies, when the activity directors are unable to leave.

Activity Directors who were able, picked up supplies on a weekly basis. So even though, we could not visit the homes, our mission continued.

One gentleman needed shoes in an unusual size (12 Wide) in order to make trips outside the nursing home for his doctor's visits. Luckily we were able to find some for him in the right size!!

The Classy Closet

We have held several sales in our Boutique, ‘The Classy Closet’ in order to rotate our inventory. Sales have been slow of course due to the Pandemic. Watch for a few more SALES TO COME—we need to clear out our Fall and Winter fashions.

We have continued to provide supplies as much as possible during this austere time. Our donors have been wonderful and donations have been steady, for which we are grateful.

We have welcomed back our Executive Director; Brandi Underwood, who was on Maternity leave due to the birth of her beautiful baby boy – Cooper! We are looking forward to an active Spring and the day that we will be once again allowed inside the Nursing Homes!

May God richly BLESS you all for your loyal support and caring!

Ways that you can help:

Financial Gifts may be made in honor of or to remember a special loved one. A notice will be sent to the honoree or to the family of those being remembered.

- Tax Laws encourage charitable giving and these gifts may significantly reduce income taxes for some donors.
- Planned gifts or bequests made through estate planning or trusts as well as allowances for IRA owners who must take RMDs are some of the best tax advantages of giving.
- Our goal is to establish an Endowment Fund to insure the continuance of When HELP Can't Wait into the future.
