March 2022

NEWSLETTER

1ST QUARTER – 2022

This year of 2022 began with the hope of COVID restrictions being lifted, but for nursing homes who must enforce extreme caution for the well-being of residents little has changed yet. But we are beginning to see more HOPE as some homes have begun to open their doors again.

We are able to continue our mission by delivering to the homes and helping activity directors shop at our facility. We were able to donate a large collection of books to help establish a library in one home. We also have taken several cakes to birthday celebrations for residents reaching their 100th year!

We were fortunate to have a large group of ladies from the AAEO Sorority visit us in celebration of MLK day, and they made a large donation of assorted items.

We received a wonderful gift of beautiful NEW blankets that were given out to our residents in several homes. They were such a treat!

The Garden Arts garden club were forced to close its chapter and donated its final funds balance to us. They have supported us for several years and we shall miss them.

Our big news is that as we begin our 15th year...we have moved to a larger building with more parking and are hoping for a great 2022. We can only do this with your support. Our loyal donors and customers mean the world to us and allow us to continue to care for area Nursing Home residents, even during pandemics. God Bless you all!

May God richly BLESS you all for your loyal support and caring!

Ways that you can help:

Financial Gifts may be made in honor of or to remember a special loved one. A notice will be sent to the honoree or to the family of those being remembered.

- Tax Laws encourage charitable giving and these gifts may significantly reduce income taxes for some donors.
- Planned gifts or bequests made through estate planning or trusts as well as allowances for IRA owners who must take RMDs are some of the best tax advantages of giving.
- Our goal is to establish an Endowment Fund to insure the continuance of When HELP Can't Wait into the future.
