### 3rd QUARTER – 2018

This has been a challenging Quarter for us financially – no grants, no large cash donations – just our normal in-kind donations for our residents – thankfully they have been prolific so our mission continues on track.

In July we held out Art & Antique Auction at Camellia Walk, a senior assisted living facility. The Esteemed BILL KARP JAZZ, along with his

beautiful wife Nancy, helped entertain our guests. We sold some beautiful items and had a nice evening, but attendance and profits were low.

We have continued with our Jewelry shows in the nursing homes (thanks to some wonderful ladies who donate their costume jewelry). They are a big hit with our residents – they do love their bling!

Also, this quarter we had several different groups and individuals donating 'Snack Items' – crackers and cookies individually packed and they are much appreciated. Imagine never being able to have a snack in the evening if you didn't enjoy much at the evening meal. A resident has no where to go to pick up a candy bar or crackers.

We were blessed with an unexpected cash donation from Christ the King Lutheran Church which came in very handy!

A special group of ladies brought us Wheel Chair Bags and beautiful Knitted hats and afghans to distribute.

A creative Activity Director held a 'Blue Jeans Ball' where they and the residents embellished Denim items with sparkles and sequins and everyone looked spectacular with their Bling on their clothes! We were happy to be able to donate the denim items.

We were able to provide a nice wheel chair to a lady who had an immediate need for one, thanks to a nice donation of medical equipment, at just the right time. That often happens to us – a need will be voiced, and the item required shows up immediately in the way of a donation. The Lord is certainly at work here.

One of the items that we must always Purchase new (because they are never donated) is LARGE SIZE clothing – 3X and above, for both men and women. One resident had multiple physical problems but in order to keep her mind active, took on-line courses toward a certificate or degree. The Nursing Home wanted to celebrate her efforts with a graduation party. Being a size 5X, she didn't have a dress for the occasion. WHCW was pleased to provide her with several new things, including two beautiful new dresses to show her how proud we were of her achievement!

Your dollars help us provide items like this when they are most needed. We are grateful for your help, and hope that you will consider making a cash donation to WHCW to save on your tax liability at year end. As a non-profit organization, all donations to WHCW are FULLY Tax Deductible!

## Ways that you can help:

**Financial Gifts** may be made in honor of or to remember a special loved one. A notice will be sent to the honoree or to the family of those being remembered.

- Tax Laws encourage charitable giving and these gifts may significantly reduce income taxes for some donors.
- Planned gifts or bequests made through estate planning or trusts as well as allowances for IRA owners who must take RMDs are some of the best tax advantages of giving.
- Our goal is to establish an Endowment Fund to insure the continuance of When HELP Can't Wait into the future.
