3rd QUARTER – 2021

It is now the 3rd Quarter of 2021 and we are still under Restrictions by the Nursing Homes due to COVID. They must keep their residents protected, so we are not yet allowed inside the homes to take our regular programs to them. In the interim, we are doing what we can to continue to assist the needs of the residents.

We had several 100 year old Birthdays and WHCW provided the cakes, delivered to the homes. While we couldn't observe – we know they were enjoyed by all!

We continue to deliver supplies such as clothing, snacks, puzzle books, etc. as requested to all the homes. The need for clothing, underwear, socks, etc. does not go away because of COVID – they are still much needed.

Many of the Activity Directors are being creative and using all their training and materials to entertain and distract the residents during this stressful time. It helps curtail depression and keeps residents in touch with the world. Therefore, they set up Silent Auctions for the residents, competitions among each other, and other activities to keep them active and involved. The following pictures are some examples of this.

WFXG, FOX 54 was generous in interviewing us to let the community know that we are struggling to maintain our mission in the absence of major fundraisers, etc. You can view that interview by clicking on the link below.

[Non-Profit looking for donations to assist nursing home residents](#)

We continue to have our loyal donors who donate items like snacks, games and the like to our offices or checks to buy same – and we know the residents are grateful. God bless you all for not forgetting our seniors during this long Pandemic. Thank You!!

May God richly BLESS you all for your loyal support and caring!

Ways that you can help:

Financial Gifts may be made in honor of or to remember a special loved one. A notice will be sent to the honoree or to the family of those being remembered.

- Tax Laws encourage charitable giving and these gifts may significantly reduce income taxes for some donors.
- Planned gifts or bequests made through estate planning or trusts as well as allowances for IRA owners who must take RMDs are some of the best tax advantages of giving.
- Our goal is to establish an Endowment Fund to insure the continuance of When HELP Can't Wait into the future.
